"What is your body telling you?"

Member Profile

Imagine a truly holistic healthcare system that asks your body what needs to be done, in what priority and sequence in order to begin your healing process on all levels!! BodyTalk is a safe, simple yet effective way of getting to the underlying causes of your physical, mental and emotional challenges. BodyTalk helps to release physical pain and inflammation in the body while releasing any mental and emotional patterns at deeper levels that were holding your condition. Helps with stress and calms the mind. Non-invasive, no medications! View: www.janinehutchinson.com I have been using energy medicine for 20 years and am a Certified BodyTalk Practitioner, BodyTalk Access Technician, Reiki Master/Teacher and Inca Shamanic Healing practitioner.
